

Contribute to the Lakeland Emergency Squad and NOT Hopatcong Ambulance Squad

Recently, many Andover Township residents who have mail service through Andover Post Office inadvertently received a fund drive mailing from the Hopatcong Ambulance Squad. The Hopatcong Ambulance Squad has apologized for the mis-mailing and urges Andover residents to contribute to the Lakeland Emergency Squad.

The Lakeland Emergency Squad fund drive letter should have reached all residents of Andover this past week. In these tight financial times for donations, Andover residents are asked to support the Lakeland Emergency Squad.

Thank you!
